## ECAC Confirmation of Intercomparison/Calibration

We confirm that in the context of ACTRIS the following intercomparison were performed at the **World Calibration Center for Aerosol Physics (WCCAP)**:

Project number: **CPC-2016-2-4**

Intercomparison/Calibration date: 04/04 to 08/04/2016

- ☒ Instrument: TSI UCPC Model 3025 # 1321
- ☒ station: DE-BFUL MPSS Dresden-Nord

The Intercomparison/Calibration has been

- ☒ **Successful**
- ☐ Not successful
- ☐ Another calibration is recommended (see calibration report).

Number of RWD (Researcher Working Days) **2**
