Navigation: Here you can quickly navigate between the individual levels and have an overview of where you are.

Category: This indicates the main category where subcategories are located. Each subcategory can be subscribed to and posts or comments can be published.

Post: Categories that are highlighted in red have a new post since your last activity in the forum.

How to use the ECAC forum

New Topic: A new post can be created in each category. To do this, simply click on the "New Topic" button. Create an individual post according to your needs.

Additional settings: Additional settings can be made here and attachments can be inserted. Furthermore, a notification note can be added specifically for this post.

How to use the ECAC forum

The screenshot shows the forum interface for 'General ACTRIS & GAW recommendation documents'. At the top, there is a breadcrumb trail: Home < Board index < Measurement Guidelines < General ACTRIS & GAW recommendation documents. Below this, the forum title is displayed along with a 'New Topic' button and a search bar. A table of topics is shown with columns for 'TOPICS', 'REPLIES', 'VIEWS', and 'LAST POST'. The first topic is 'level 2 flags' by angela.marinoni, posted on Thu Jun 17, 2021 3:52 pm, with 2 replies and 83 views. Below the table, there are more 'New Topic' and list view options, a 'Return to Board Index' link, and a 'Jump to' dropdown. A 'WHO IS ONLINE' section indicates that Honey Alas and 0 guests are browsing. A 'FORUM PERMISSIONS' section lists various actions that users can perform. At the bottom, a navigation bar contains links for 'Home', 'Board index', 'Unsubscribe forum', 'Contact us', 'The team', 'Members', and 'delete cookies'. Two red circles highlight the 'Unsubscribe forum' and 'Members' links, with red arrows pointing down to the explanatory text below.

Subscribe: To subscribe to any category, click on the "subscribe forum" selection. You will receive a message confirming your subscription and the button will change to "unsubscribe forum". All subscribed categories and settings for e-mail notifications can be found under your "user control panel". Another click on the "unsubscribe forum" button will end the subscription.

Members: List of all members who are registered in the forum.
